K-Camp 2019

This summer we will have a full group of kidz. We have a fun filled summer planned and will be taking many off-site field trips as well as having shows traveling to us! We would like to be up front about our behavior policies and expectations in program as well as during off-site field trips.

It is in our policy that children who cannot be maintained during a field trip will not be permitted to attend the following field trip. If the same child cannot be maintained during another field trip, they will not be permitted to attend any further field trips for the duration of the summer. No refunds will be given if your child is disenrolled for any reason including but not limited to behavior. In addition, you will still be responsible for the weekly tuition for each remaining week of summer camp that you signed your child up for if the child is disenrolled for any reason. It is our hope that everyone will be on their best behavior and be able to fully participate in all of the exciting activities planned for the summer.

If you have any questions, please let us know.

Thanks,

Jessica

I understand the Kidz Korner Policy regarding behavior during fieldtrips. I agree to provide care for my child on the next field trip if they are unable to be maintained and to provide care for all remaining field trips if my child cannot be maintained after two field trips. I also understand that there are no refunds given if my child is suspended or disenrolled from program for any reason. In addition, I understand that I am responsible for the weekly tuition for each remaining week of camp I signed my child up for if my child is disenrolled for any reason.
