Enrollment in Kidz Korner School Age Programs: Kidz Korner runs two programs for children grades Kindergarten through 12 years of age. One program runs during the school year (After School) and the other program during the summer (Summer Camp). The After School Program runs from the Monday before school starts in September and ends the Friday school ends in June, as per the Guilderland School District calendar. Summer Camp runs from the Monday following the end of school and ends the Friday before school starts.

Enrollment in the After School Program requires an annual registration fee of \$50 and a security deposit equal to two (2) weeks of tuition per child. Families enrolled in the After School Program are given an opportunity in the spring to reserve a spot for the next school year. If your family decides to enroll for the fall the annual registration fee is paid at this time. If a family chooses not to return in the fall and provides two (2) week written notice prior to the first day of Summer Camp their security deposit will be applied to the last two weeks of the current After School Program. If in the spring, a family signs up for the After School Program and chooses not to return or attend (if they are a new family), they are still required to give a two (2) week written notice of withdrawal. This two week notice period will be the first and second week of the After School Program, which is the first and second week of the school year. It may not be applied to any other weeks. Even if the family is enrolled in the Summer Camp Program the two week notice period does not occur until the start of the After School.

Kidz Korner Summer Camp 2018

Enrollment in the Summer Camp Program does not require a registration fee or security deposit but does require enrollment in specific weeks during the program and payment of an activity fee for those weeks. Please refer to the Summer Camp packet for information on signing up for weeks attending and the associated activity fees. Enrollment in the Summer Camp Program does require a two (2) week notice because each family signs up only for the weeks they wish to attend.

Termination of Enrollment by Kidz Korner: In certain circumstances, it may be necessary for the Center Director to decide to discontinue a child's enrollment. Such a decision would be based on whether it is in the best interest of that child, the other children in the center, and the overall operation of the center to terminate enrollment. Every effort will be made to correct a problematic situation before a final decision is made.

Termination of enrollment may be the result of the following:

- Non-payment of tuition
- Abuse of staff, children, or property
- Dangerous or disruptive behavior
- The center's inability to meet child's needs
- Continued violation of our sick policy
- Failure to comply with Behavior Management Policy

Please note that all parents must sign and complete all the necessary paperwork before your child/children can attend camp. Parents must sign the signature page and agree to all the policies and procedures listed in the *Kidz Korner Parent Handbook* at all times.

I understand the above camp information and wish to sign my child _____ up for summer camp. I also understand that I must agree to the Kidz Korner policies and procedures and sign the signature page of the handbook.

Kidz Korner Summer Camp 2018

This summer we will have a full group of Kidz. We have a fun filled summer planned and will be taking many off-site field trips as well as having shows traveling to us! We would like to be up front about our behavior policies and expectations in program as well as during off-site field trips.

It is our policy that children who cannot be maintained during a field trip will not be permitted to attend the following field trip. If the same child cannot be maintained during another field trip, they will not be permitted to attend any further field trips. A parent/guardian is more than welcome to attend the field trip (and pay the necessary fees for trip admission) with the child in order to maintain them. However, if the child still cannot be maintained, they will not be permitted to attend any further field trips for the duration of the summer. No refunds will be given if your child is disenrolled for any reason including but not limited to behavior. In addition, you will still be responsible for the weekly tuition for each remaining week of summer camp that you signed your child up for if your child is disenrolled for any reason. It is our hope that everyone will be on their best behavior and be able to fully participate in all of the exciting activities planned for the summer.

Also, Kidz Korner will provide a T-Shirt for your child that must be worn on all field trips.

If you have any questions, please let us know.

Thanks,

Emily

I understand the Kidz Korner Policy regarding behavior during field trips. I agree to provide care for my child on the next field trip if they are unable to be maintained and to provide care for all remaining field trips if my child cannot be maintained after two field trips. I also understand that there are no refunds given if my child is suspended or disenrolled from program for any reason. In addition, I understand that I am responsible for the weekly tuition for each remaining week of camp I signed my child up for if my child is disenrolled for any reason.

SUN-SMART POLICY

Our Sun-Smart policy has been developed to ensure that all children and staff participating in this program are protected from skin damage caused by the harmful UVB and UVA rays of the sun. This policy will be implemented throughout the year, but with particular emphasis from May through October.

Sun-Smart Strategies

- ❖ Encourage children to wear hats with wide brims that protect their faces, necks and ears whenever they are outside.
- ❖ Provide sufficient areas of shelter and/or trees providing shade on the playground.
- ❖ Encourage children to seek and use available areas of shade for outdoor play activities.
- ❖ Children will be hydrated and encouraged to drink water before and during prolonged physical outdoor activities in warm weather.
- ❖ Wearing appropriate hats and clothing when outdoors.
- ❖ Using broad spectrum SPF 15 or higher sunscreen for skin protection.
- ❖ Parents will provide broad spectrum SPF 15 or higher (and *paba* and *alcohol* free, if possible) that is in a lotion or cream **not an aerosol**.
- ❖ Sunscreen for lips may be sent in to be used.
- ❖ Sunscreen will be used on their child's exposed skin, except eyelids before exposure to the sun.
- ❖ Apply sunscreen before and after water play, if remaining outside after water play.
- ❖ Do not apply sunscreen to toddler's hands or foreheads, since sweat can cause it to get in children's eyes.
- ❖ School aged children will be expected to apply sunscreen themselves with adult direction as needed.
- ❖ Parents will complete and sign the Kidz Korner Sunscreen Permission Form and it shall remain in the child's file.
- ❖ Kidz Korner will include learning about the skin and ways to protect the skin from the UV rays of the sun in the program's curriculum and daily routines.
- ❖ The Sun-Smart Policy will be reinforced in positive ways. Staff and parents will be provided with educational materials and resources on sun safety and protection. Memos and signage shall be posted that remind staff, parents and children to practice sun safety.
