Kidz Korner K-Camp 2017 Field Trip Behavior Policy

We have a fun filled summer planned and will be taking many off-site field trips. We have a full group and want to be up front about our behavior policies during field trips. It is our policy that children who cannot be maintained during a field trip will not be permitted to attend the following field trip. If the same child cannot be maintained during another field trip, they will not be permitted to attend any further field trips. It will be the parents' responsibility to provide care during the time of field trips. The parent is more than welcome to attend the field trip (and pay the necessary fees for trip admission) with the child in order to maintain them. However, if the child still cannot be maintained, they will not be permitted to attend any further field trips for the duration of the summer. No refunds will be given if your child is disenrolled for any reason including but not limited to behavior. In addition, you will still be responsible for the weekly tuition for each remaining week of summer camp that you signed your child up for if your child is disenrolled for any reason. It is our hope that everyone will be on their best behavior and be able to fully participate in all of the exciting activities planned for the summer.

Also, Kidz Korner will provide a T-Shirt for your child that must be worn on all field trips.

If you have any questions, please let us know.

Thanks,
Patrick

I understand the Kidz Korner Policy regarding behavior during field trips. I agree to provide care for my child on the next field trip if they are unable to be maintained and to provide care for all remaining field trips if my child cannot be maintained after two field trips. I also understand that there are no refunds given if my child is suspended or disenrolled from program for any reason. In addition, I understand that I am responsible for the weekly tuition for each remaining week of camp I signed my child up for if my child is disenrolled for any reason.

SUN-SMART POLICY

Our Sun-Smart policy has been developed to ensure that all children and staff participating in this program are protected from skin damage caused by the harmful UVB and UVA rays of the sun. This policy will be implemented throughout the year, but with particular emphasis from May through October.

Sun-Smart Strategies

- ❖ Encourage children to wear hats with wide brims that protect their faces, necks and ears whenever they are outside.
- ❖ Provide sufficient areas of shelter and/or trees providing shade on the playground.
- ❖ Encourage children to seek and use available areas of shade for outdoor play activities.
- ❖ Children will be hydrated and encouraged to drink water before and during prolonged physical outdoor activities in warm weather.
- ❖ Wearing appropriate hats and clothing when outdoors.
- ❖ Using broad spectrum SPF 15 or higher sunscreen for skin protection.
- ❖ Parents will provide broad spectrum SPF 15 or higher (and *paba* and *alcohol* free, if possible) that is in a lotion or cream not an aerosol.
- ❖ Sunscreen will be used on their child's exposed skin, except eyelids before exposure to the sun.
- ❖ Apply sunscreen before and after water play, if remaining outside after water play.
- ❖ Do not apply sunscreen to toddler's hands or foreheads, since sweat can cause it to get in children's eyes.
- ❖ School aged children will be expected to apply sunscreen themselves with adult direction as needed.
- ❖ Parents will complete and sign the Kidz Korner Sunscreen Permission Form and it shall remain in the child's file.
- ❖ Kidz Korner will include learning about the skin and ways to protect the skin from the UV rays of the sun in the program's curriculum and daily routines.
- ❖ The Sun-Smart Policy will be reinforced in positive ways. Staff and parents will be provided with educational materials and resources on sun safety and protection. Memos and signage shall be posted that remind staff, parents and children to practice sun safety.
